Note:

1. A student should list the first six colleges as it is irrespective of the rank scored in CLAT. Even if a student feels that he/she cannot get into the top few college, based on his/her rank, then also there is no harm in putting the top six colleges as it is. By doing so, we are only eliminating the slightest of slight possibility of getting into a better NLU.
2. Colleges from 7-10 are all on the same level. A student can exercise their own discretion by using other factors such as location, fees etc. into consideration and rank them accordingly.
3. Colleges from 11-16 are relatively newer college and are still in the establishing mode. Hence, the student can again use their discretion in ranking them according to each individual's preference.
