

# IRMA Webinar - GK

**\*\*Session 2\*\***

## Session objectives:

- The session is designed to optimize students performance in IRMA entrance exam through GK section.
- To make understand the value of GK section and help them to increase score by:
  - Analysis of the previous year questions.
  - Understanding the areas of importance.
  - Practicing new questions based on previous year questions.
- To add value to the students General Knowledge.

## IRMA & GK

- IRMA which stands for the Institute of Rural Management, Anand aims at contributing to the professional management of rural organizations.
- Coming to particular areas of IRMA, the key focus areas are in sync with the specialization of the institute.
- Unlike other MBA focuses this course make one specialised in working with co-operatives, NGOs, governments, Indian national and international agencies.

## IRMA & GK

- Key areas of GK questions:
  - Rural management.
  - Social programmes.
    - Schemes for education, healthcare, employment, poverty alleviation etc.
  - Social movements in India.
  - Activities in rural areas.
  - Social problems.
  - International issues related to agriculture and other rural sectors.
  - Rural industries.
  - Other areas which are primarily concerned with the rural areas.

## GK trend in IRMA:

Topic	No. of Questions	Difficulty Level
Agricultural and Rural development	17	Moderate
Economy (Rural economy)	18	Moderate-Difficult
Organizations	8	Moderate
Personalities, awards and important days	8	Moderate
Miscellaneous	9	Moderate

## GK trend in IRMA:

- Few questions are fact based which can be answered by the most.
- Along with the questions that are fact based, there are many questions which can be solved by using basic sense.
  - Some examples:
    1. How relevant is the statement that 'Labour moves in search of higher rewards'?
    2. What is the meaning of economies of scale?
    3. According to IMF, which of the following countries will achieve maximum GDP growth rate for the year 2010-2011?
  - So read the questions carefully in this section.

## Lets Practice:

- We will see a total of 90 questions with analysis of 60 questions.
- This includes sitters, factual or a where a bit of reasoning can be used.
- We have a few questions from previous year papers and rest are from current affairs which can be a part of the examination the day after tomorrow.
- At the end we have 30 questions from IRMA 2010 and 2011 which can be noted down or checked online for further reference.
