

T. A. Pai Management Institute, Manipal

ADMISSION 2009 - 2011

Post Graduate Diploma in Management (PGDM) Programme

The Programme

T. A. Pai Management Institute (TAPMI) is among the top B-schools in the country. With more than two decades of experience, TAPMI is a pioneer in management education with several innovations to its credit. The PGDM has evolved over this period as the most innovative programme and current in its offering, aimed at providing the best possible management education to prospective students.

Faculty and Learning Ambience

TAPMI faculty excels as educators with excellent academic credentials and industry experience. Education at TAPMI is learner centered. Instructional pedagogy includes

lectures, case studies, simulations and experiential sessions through projects and field work. The unique Faculty Coaching System and the Student-Faculty Joint Research projects facilitate continuous interaction between faculty and students. All these make TAPMI an ideal place for bringing the best out of energetic, enterprising, young graduates.

Career Prospects

TAPMI has been enjoying an excellent Placement record from the past several years. The institute's graduates are sought after by industry and a consistent 100% placement is the general norm. Each year almost 50 organizations, many of them sector leaders, participate in Campus Placement.
